# Elektrotec 2024

## About Elektrotec 2024

Elektrotec 2024 is one of the largest Electrical and Industrial Electronics sector trade event in India. The show registers high overall visitor figures and facilitates smooth exchange of relevant business information among the participants.

Exhibitors can also get in touch with a large pool of new customers at the event. Senior representatives from governmental bodies will also be amongst those present here.

Elektrotec 2024 is organised by CODISSIA Intec Technology Centre in association with **EIewa** - Electrical Installation Engineers Welfare Association, **CODETA** - Coimbatore District Electrical Traders Association and supported by **SEPA** - Sustainability and Energy Practitioners Associations. With wide global participation, it is an ideal platform to launch new products, invite enquiries and generate potential leads across the globe.

## Significance of the Event

Power sector development program in India has gained significant momentum. As the power consumption increases, there is a need to transfer large amounts of power from generators to consumers. As the per capita power consumption increases to global levels, capacity addition is the need of the hour, entailing major investments and significant growth in power generation, transmission and distribution. In this scenario Elektrotec 2024 gains tremendous significance.

## Why ELEKTROTEC-

ELEKTROTEC series of fairs is into its 7th Edition and has carved out a niche place for itself among the industry, drawing attention of manufacturers, importers and visitors alike. It has become a widely sought after fair with participants from across the country.

ELEKTROTEC 2024 is all set to reach out to people across the country and this 7th Edition will witness foreign participation too.

In this edition, the focus areas have widened with special emphasis on Sustainable Renewable Energy, Solar Energy, Robotics, Artificial Intelligence, E- Vehicles in addition to Electricals and Industrial Electronics.

- Over 75,000 visitors in the previous editions.
- Growing consistently in every edition.
- Support of notable associations like EIEWA, CODETA, SEPA and others.
- Increased participation from Northern & Western India.
- Visitors from entire Southern India.

## Exhibitor Profile :

- Cables, Conductors
- Cable fault locators
- Capacitors
- Conductors & Accessories Testing
- Design & Consultancy
- Electrical / Electronics Components & Accessories
- Electro Mechanical
- Energy Meters
- Engineering Project
- Electrical Vehicle Manufacturers
- Industrial Control & Automation Systems
- Instruments - Sensing, Measuring, Indicating
- Insulators & Insulating Materials
- IT Solution
- Lighting - Industrial, Decorative, Flood, Home and Retail
- LED Lighting and accessories
- Modular Switches
- Wires and Cables
- Lighting Accessories
- Micro Electronics
- Motors & Generators
- Optical Fibers
- Opto-Electronics
- Pollution Control Equipment
- Power Electronics
- Renewable Energy Equipments
- Switch Gear & Control Gear
- Solar & Renewable Energy Manufacturers
- Transformers & Instrument Transformers
- Transmission Line Towers & Accessories
- Winding Wires & Accessories
- Other Products

## Visitor Profile

- Manufacturers
- Traders & Importers
- Consultants & Specifiers
- Senior Industry Representatives
- EPC Contractors
- Power Utilities
- Policy Makers
- Decision Makers
- Engineers & Technocrats
- Equipment Suppliers
- Power Trading Companies
- Power Ministry
- Industry Associations Academics
- Private Utilities
- Trade Delegation from India & Abroad
- State Electricity Boards / Utilities
- Electricity Regulators
- Senior Govt. Officials
- Service Providers
- Trade Attaches
- Financial Institutions
- Students
- Press & Media

## MEDIA COVERAGE

As a leading *Electrical, Industrial Electronics* event of the region, ELEKTROTEC 2024 will attract extensive media coverage. There will be wide ranging presence in the following:

### Print Media

Leading national dailies of the region, Regional vernacular dailies, B2B & B2C Magazines, Professional journals of the relevant industry

### Digital Media

Intensive e-marketing campaign on social media platforms like Facebook, LinkedIn, and other digital mediums (online & offline), publicity on various prominent portals, banner space, e-newsletters, e-mailers to relevant database, mobile marketing etc. for maximum reach

### Broadcast Media

Publicity on the leading FM Channels and Regional TV Channels

### PR Activity

Press Meet prior to the fair and constant Press Releases will follow through the event days

**CODISSIA INDUSTRIAL PARKS** - CODISSIA has established two state-of-the-art Industrial Parks at Mopperipalayam & Kallapalayam villages, located 25 km from Coimbatore city in an area of 360 acres, to cater to 325 MSMEs with an investment in excess of Rs. 3000 crores. These industries will provide direct employment to about 10,000 people and indirectly generate employment opportunities to another 20,000 people.

Architect's view of the proposed building

**CODISSIA DEFENCE INNOVATION AND ATAL INCUBATION CENTRE** - CDIIC has been established with a vision to develop Coimbatore region into a leading Defence Manufacturing Hub within the next 10 years and the largest contributor in the Southern Defence Corridor. Strategically located in the Defence Corridor, CDIIC aims to assist MSMEs to cater to the Defence Forces in indigenisation of their requirements and import substitution, ultimately helping our Armed Forces to fight India's Wars with Indian Technology. Through the Incubation Centre, it shall encourage and support start-up entrepreneurs.
